To Whom It May Concern

Mr Vassos Assimenos – Painter and Decorator

I have known Vassos Assimenos for over 12 months and have employed him to paint and decorate my home in Giffnock following an initial recommendation by a personal friend

Vassos has also recently painted my company's office suite in West Nile Street, in Glasgow City Centre.

I have found him to be most reliable and trustworthy. I would also say that his workmanship is of a high standard and it should also be mentioned that he is a particularly tidy worker.

I would have no hesitation in recommending Vassos as a most competent painter and decorator for all types of domestic and commercial work.

Yours sincerely
