TO WHOM IT MAY CONCERN

Reference: Vassos (Vas) Assimenos – High Quality Painting and Decorating Services

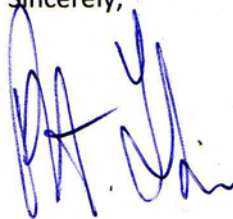

We have known Vas for almost 5 years. He has worked in our home on numerous occasions and also our offices and factory in East Kilbride.

The quality of workmanship and attention to detail that Vas displays as a matter of course are rare to find nowadays. Vas has also carried out excellent smooth plastering work for us, another of his many skills. He is also the tidiest of any Tradesman that we have ever come across.

We would never even consider another decorator now. Vas's skills cover all of our requirements both interior and exterior. Further to this Vas is an extremely pleasant and amiable person and it is no inconvenience to have him working in our home.

We cannot recommend Vas highly enough. Should anyone wish to contact us for personal recommendations please do not hesitate in using our contact details shown above.

Sincerely,

Robert C Taylor
